# NO|ta|BLE

PASSION, COMMUNITY AND MADE-RIGHT-HERE GOODNESS

## WE CAN'T WAIT TO MAKE YOUR NEXT EVENT NOTABLE

NOtable was established from Chef Michael Noble's vision of a cozy, casual neighbourhood restaurant where guests could get an amazing meal. It was opened in the fall of 2010, with a menu centred around the concept of "gourmet casual" dining.

Today, many of the same dishes that first inspired Chef Noble can still be found on the menu. Whatever the occasion, our team is here to help make the experience memorable with a great atmosphere, delicious food and personable service.

### COMMUNITY AND SUSTAINABILITY

We value our relationships with local growers and producers, and know many of them personally. The passion they show pushes us to be equally passionate about how we prepare and present meals.

We couldn't be a part of this community without giving back to it. We support charitable causes through our Q-Water program, of which we donate every penny of profit to people in need.

### CHEF MICHAEL NOBLE

Michael Noble has represented his country in culinary competitions four times and been the only Canadian ever to challenge the famous Japanese Iron Chefs. His true passion is simple – he loves creating memorable restaurant experiences, and he understands that this is all about giving his team the tools, skills, and knowledge to take care of even the most discerning diners.

### CHEF RICHARD PILKINGTON

Chef Pilkington found his way back to us after launching his career with NOtaBLE over a decade ago. His passion for working with local purveyors perfectly aligns with the philosophy and culture of our restaurant.

OUR PRIVATE DINING ROOM IS COMPLETELY SEPARATE FROM THE MAIN RESTAURANT FEATURING A COZY AND INTIMATE ATMOSPHERE.
